## Teachers: (One Full Time and One Part Time): Our Lady Help of Christians Catholic Primary School - Murtoa

### Overview

Our Lady Help of Christians Catholic School is situated on a large parcel of land on the south-eastern outskirts of Murtoa. Murtoa is a small Wimmera farming community situated 30 kilometres from Horsham with a population of approximately 850. A major industry in the area is dryland agriculture.

Our Lady Help of Christians School is part of the St Paul VI Wimmera-Mallee Parish. The school has several distinctive features. Its relatively small size is used to great advantage, allowing children to receive quality education and attention to individual needs and talents. The students are nurtured in a family-type environment, with peer support being encouraged across all age groups. The school's approach of working in partnership with families means a strong commitment and involvement by parents to enhance school resources and facilities. The current enrollment for 2023 will be almost 30 students – a junior classroom (P-2) and a senior classroom (3-6)
